This month we have Sara Forhetz sent from the Southwest Missouri chapters. They write: She's one of our "famous" missionaries. She and her husband Ethan used to be news casters on KY3 Springfield News. They have given up sharing bad news and now team up to share THE GOOD NEWS!

DRESS A GIRL! 👗

April 6-19, 2027!
Email: Rachel@h4wi.org

A woman with blonde hair and sunglasses, wearing a purple t-shirt, is smiling and hugging a group of five young children. They are standing in front of a lush green landscape with rolling hills and a blue sky. The children are also smiling and looking towards the camera. The woman's t-shirt has a logo that says "Commitment".

SEWING MACHINES FOR WOMEN OF UGANDA!

WOW! You have been empowering our sisters in Uganda by providing sewing machines!!
What a blessing!

Here are just a few pictures of the women enjoying your gifts of hope, love, dignity and joy!

One woman writes: "I have been praying and believing God for a machine. I could not believe my ears when I was called by H4WI staff to collect a machine!. This is a very great empowerment to me as a young person. I am going to be self- reliant and will no longer depend on my family for basic needs but instead will work hard with this machine to support my family members. May God bless you and give you all your heart desires."

Another says: "We are very happy. In our villages we have not had any skill centers for women. Women are always being beaten by husbands whenever they ask for help for basics like clothes and soap. It has been our prayer for so many years for such a support to help us develop skills for life. We are about 100 women (widows, young mothers, single mothers, and vulnerable married women) in this community who have enrolled for this training with immediate effect starting this month of September 2026."

Praise God for your faithfulness in supporting women through our business in sponsorship program and in providing sewing machines!

These treadle machines are purchased in Uganda so you are blessing the women and the economy! Thank you!

Looking Forward

We are constantly striving to do better and to try new things at Hope 4 Women/Dress a Girl.

We had a brief stint of selling items on eBay. We don't know what happened but all of a sudden we were informed that we were banned from eBay for life! When Jordan called to ask why, she was told, "I can't tell you. It's confidential!" What?? Banned for life and they can't tell us why? It's crazy so be watching on Facebook for our new online spot to sell high quality thrifted clothing and items.

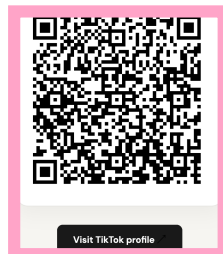

You'll also be seeing us using more QR codes such as this one directing you to the **Dress a Girl Around the World website**. Open your camera on your phone and hold it over the code and click on the link when it pops up. You will be taken directly to the website. Also watch for upgrades to the website in the near future!

Here's a Hope 4 Women/Dress a Girl video you can watch on YouTube. Open your phone camera and hold it over the code. It will take you directly to the video!

Scan the code to follow Dress a Girl on TikTok!

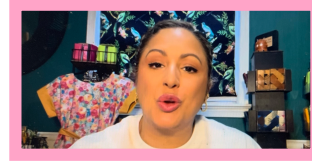

I hope you enjoy it and find these things convenient and useful.

SPECIAL THANK YOU

We've got lots of people who support our projects at Hope 4 Women/Dress a Girl and we are so very grateful.

In September Mari held her annual Project Dress a Girl on YouTube! She has a lot of videos promoting making dresses for Dress a Girl. There are free patterns and tips that we absolutely love! You can copy and paste the link to go to her kickoff of the event. https://youtu.be/wy20NLDANnk?si=on_MORlgG_1xH-aw There you will find all of hers and fellow YouTubers videos. Please show your appreciation! Thank you Mari!! You are amazing!

Some of our Missouri ambassadors came up and spent a few days with us—just to encourage and support us. We were so inspired as we shared ideas! And they gave us fabric for making our teen dresses! Our great friends Pat & Penny hosted them and treated them like royalty. They even took us out to a steakhouse! Thank you ladies!
