Hope 4 Women International Dress a Girl Around the World! Telling the Dress a Girl Story

I love telling the Hope 4 Women International/Dress a Girl Story! I was honored to speak at an adorable old church in the small town of Orchard, Iowa! I met some fascinating women and heard their stories. That's one of the beautiful perks of this organization. We get to meet people we never would have met! Hear stories we never would have heard!

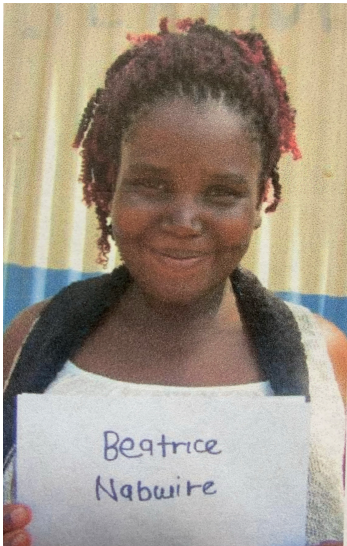

Think of all the people you didn't know before you got involved in Dress a Girl. Think of the stories you've heard and told! Think of all the inspiring experiences of meeting together; sewing and serving together; eating fabulous food; and seeing pictures or experiencing distributing dresses to girls in need!

It's really an exciting adventure and I thank God for allowing me to be a part of His perfect plan. Thank you for coming along and saying "I want to make a difference! I want to be the reason a little girl receives a brand new dress—maybe her first ever! I want to see a woman in business succeed and care for her children and grandchildren!"

Thank you for changing destinies of women and girls around the world!

WOMEN SPONSORSHIP!!

Beatrice dropped out of school in senior two to get married. She has four children and no current business as she lacks start up capital. Her prayer is that when God opens the door and she gets sponsored she will start buying, raising, and selling pigs. This she believes will enable her to pay school fees for her children and to save money for family needs and emergencies. If you'd like to sponsor Beatrice contact lisa@h4wi.org

DRESS A GIRL ON FACEBOOK

There are so many Dress a Girl Facebook Pages! Besides our Official Page for Dress a Girl Around the World, you can find ambassadors posting on their own Dress a Girl pages! These pages post local events; sewing and dress making tips; photos of dresses being made and dresses being distributed to girls around the world! Here are some posts I've taken at random.

These are from Our Official Page. We are featuring a woman who needs sponsoring and a fabulous volunteer who makes quilts for us.

This precious picture was found on the Bridgewater, Massachusetts Facebook page. They sent dresses with a pastor from Angola. They are a very active group and post videos on doing French seams and other helpful posts. They also distribute kits for people to take and make at the Bridgewater Library.

Jil, on the Dress a Girl Around the World / Nevada Area page featured this adorable tiered dress made from small pieces of fabric!

Dress a Girl Around the World South Jax writes: A huge thanks to Bartram Trail Branch Library for featuring Dress A Girl on their display wall this month. It is an honor to have such strong support from Ashley and the library management and staff. Providing meeting space and promoting awareness to the community helps us grow by reaching new people and encourages donations that help us reach more children worldwide. God is good and continues to connect us with people who support our mission like the people of BTBL.

These are just a few examples of what you will find when you search Dress a Girl Around the World on Facebook! Hopefully you can either connect with some of these groups or glean wisdom and encouragement from the posts!

SUMMER DRESS STYLES!

Summer Dress styles! What's trendy? What's simple? Comfortable!?

I'm reading that ordinary flip flops are the rage rather you are going to a formal wedding or to the beach! They might be ordinary but they can be spendy! I remember paying as little as a dollar a pair and now you can still find budget friendly flip flops on sale at Old Navy for \$2 but if you want leather, you can pay \$200 on up! How about these super cute flip flops from Nordstrom for \$750??

What is the coolest material for summer dresses?

Cotton. When it comes to clothing that keeps you cool and comfortable for summer, cotton is a go-to fabric to ensure maximum comfort and breathability.

Also making the list is Breathable Linen, Lightweight Chambray, Rayon, Silky + Satin Fabrics

Want to hide that tummy?

To minimize the appearance of a tummy, consider wearing A-line, empire waist, or wrap dresses. These styles create a flattering silhouette by either flaring out from the waist, cinching just below the bust, or draping across the midsection. Dark colors and fabrics that drape well, like matte fabrics, are also helpful.

Summertime Fun!

I hope you are enjoying your summer! Here at Hope 4 Women International we are doing a lot for/with kids! As a lay pastor I'm always trying to think up things to keep our kids on track. We do a lot of crazy fun things. We're having fun days with bouncy houses and water splash pads. We're going fishing! We are doing a Vacation Bible School and a couple of Day Camps.

In July Hope 4 Women/Dress a Girl will have a float in the Forest City parade.

On August 9th we will be flooding the Hope 4 Women grounds with games and bouncy houses! Every little girl will receive a free dress and each little boy will get a special gift! We'll be serving hotdogs and more! We'll be doing raffles and prizes throughout the day and will also have a bake sale!

On August 14th we'll be hosting a drive in movie night at Crystal Lake Methodist. Kids will sit in their custom made cars and watch the show while eating hotdogs, popcorn and slushies!
