Update on Baby Nowella

In March of this year we asked you for your help in getting surgery for baby Nowella. You answered and we were able to pay for surgery on her protruding tongue that hindered her from eating and as you can see from the before pictures how malnourished she was.

The pictures above with her holding the colorful bowls—she really wanted the pink one—you can see how much better she is doing. There were enough extra funds for her grandmother, who is raising her, to purchase a cow so Nowella can have fresh milk everyday.

Thank you so much for giving Nowella the opportunity to live a full, normal life! God is so good!

Mari Sews!

The dresses from Mari's Project Dress a Girl continue to pour in! This project not only raised awareness of Dress a Girl but brought in 5,043 dresses!!

Lisa received a card from a dear sponsor who wanted to sponsor seven more women ! Which is wonderful but her news saddens us. She said : "Sadly I have a terminal illness that continues to worsen . One of my goals has always been to lift up women ..." She asked Lisa to send her the seven profiles and she'll send them each a note of encouragement though she won't be able to stay in touch long term
Please say a prayer for this dear woman who in her final days continues to change lives. Her legacy will continue.

ROBERTO'S CHILI RECIPE

Roberto, Robert, RC, Beto. These are some of the names I call my husband. Whichever name he answers to he still has the best chili recipe around so I thought I'd share it with you.

RC's Chile Recipe

Ingredients:

1 28 oz can crushed tomatoes
1 15 oz can of black beans
2 15 oz cans dark kidney beans
1 15 oz can whole corn
1 27 oz can Bush Chili beans
1 1/2 lbs ground hamburger
1-2 onions
Garlic pepper
McCormick seasoning salt
One jaleno or Anaheim pepper chopped (optional)

Directions:

Crumble hamburger and cook with garlic, pepper and seasoned salt.

Drain grease.

Combine all ingredients in a large pot and simmer for 15 minutes to 1/2 hour.

This tastes better with age so put it in the refrigerator for a day or two and then enjoy!
